On the Cover: TEXPEX 2004 created a Panel for the Air Force Academy stamp, which had a special Second Day of Issue ceremony and cancellation at the show. The show was also the site of

the ASPPP's 20th Anniversary membership meeting. The Panel was sold without stamps affixed, so collectors could create their own configurations, like this 3-day show-cancel panel.

OPENING REMARKS

By ASPPP Editor Ron Walenciak

And here it is... the Annual Auction issue! It might be arriving a little later than usual, mainly due to a new job on my part that has taken up much more of my time, leaving less for hobbies.

If you are really involved in the ASPPP or Pages and Panels (the auction, meetings, and/or the latest information on Pages and Panels) you should make sure you check the www.asppp.org website; most things happen first on the web. The auction lots, for example, were listed on the web as a downloadable Excel spreadsheet in late April. We also maintain a list of everyone's email addresses so that we can contact you quickly if anything occurs that could effect Pages or Panels. I didn't include the Web Site Update page this quarter, but it will be back next time.

In this issue we have articles about the TEXPEX meeting in Dallas and the second of Robert Porter's articles on Signers of Porter Philatelic Pages. We also officially welcome "new" Board Member David Jones.

I ask you to place your bids in the auction. The commission the ASPPP collects (and the sale of ASPPP-owned material) helps us to keep the society going and allows us to send the *Journal* by first class mail.

Once again, I'd like to see if anyone is interested in taking over the Editor's position. It's a volunteer job, but it can be very rewarding. Email me at ronw@asppp.org or contact me at my address on page 2. Thanks.

PRESIDENT'S MESSAGE

By Ron Walenciak

In April we visited Dallas, Texas for TEXPEX and the 20th Anniversary meeting of the ASPPP. The show was well run; the design was perfect for societies, with society tables facing the entrance way so that everyone had to pass by them on their way into the show. That's something that other organizations should learn from; it is so simple, and there's no reason not to support societies that work so hard to educate others in the various areas of stamp collecting.

ASPPP member turnout was low (once again). I'm at a loss to figure out how to get members to come to a show or meeting. We've tried giving stuff away (a 1972 Panel year set in Houston, a Lifetime membership in New York), renting a suite so we could trade Pages (New York), and sharing a hospitality room with the ACPS (St Louis?). We had Gordon Morrison talk about the early days of Pages and Panels at a meeting in Chicago, and Cassandra Abdelmeguid visit to discuss our needs and Pages and Panels in both

Houston and Chicago. If you've come to a show or meeting, can you tell me what enticed you to come? If you haven't, can you tell me what would make you come?

Unfortunately, our Founder Bud Scrantom couldn't make it to the meeting, so the Board Members went over to his house and visited with him for a while. A plaque was made and the certificate signed by the Board Members present, and then presented to Bud. The plaque read:

"American Society for Philatelic Pages & Panels honors Bud Scrantom for twenty years of commitment and dedication to the society he founded on this, our 20th Anniversary, at TEXPEX April 3, 2004."

Gerald Blankenship took the photo below showing (standing) Gary West, David Weinberg, John Ngai and myself. Another photo with Gerald taken by David is on the website.

SIGNERS OF PORTER PHILATELIC PAGES

By Robert F. Porter

Grandmaw Liberty

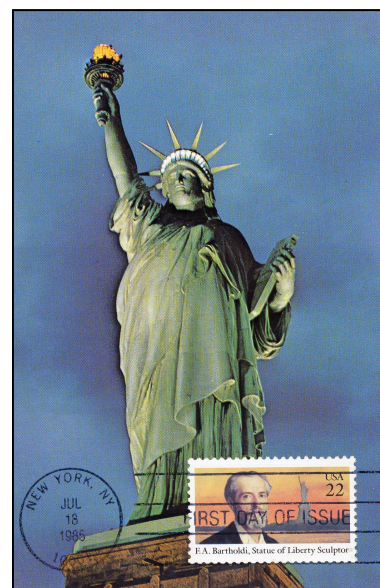

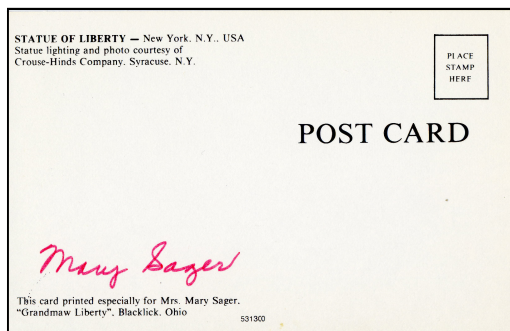

I discovered "Grandmaw Liberty" (Mrs. Robert Sager) in a published article by Dick Shoemaker, an executive in a computer company. He told how he became one of her "adopted grandsons", the title she gave to those with whom she corresponded, and he encouraged his readers to write to her if they wanted to have a friend who would love them and pray for them. I wrote my first letter to her in January 1984, immediately after reading his article.

I now have a two-inch, three-ring notebook full of her letters to me and articles about her that I have accumulated through the years that followed. Her letters were written on 5 1/2 x 8 1/2 sheets, both sides, in easy to read handwriting despite severe arthritis and other crippling physical problems. Her letters averaged 10 pages. My heart is moved each time I reread them. My last letter from her is dated October 11, 1992. She died April 13, 1993. It was an honor to be one of her adopted grandsons, of which she had hundreds. She wrote thousands of letters.

I quote from one. "I write propped up on the couch, in the living room, where I also sleep, sitting up, against a great pile of pillows. But, I wouldn't trade my corner for anyone's vast domain."

She was a collector of Statue of Liberty memorabilia. After a new lighting system of the Statue had been installed, she looked for a postcard which would reveal its beauty with the new illumination. After months of searching and failing to find such a postcard, she wrote to the Crouse-Hinds Company, Syracuse, New York. This company had installed the lighting as a Bicentennial gift to the Nation. She asked if they knew of any such postcards having been printed. They did not. Her enthusiasm for the Statue of Liberty was so persuasive, the board of directors ordered a special printing of postcards with the following information, "This card printed especially for Mrs. Mary Sager, "Grandmaw Liberty", Blacklick, Ohio." Over 30,000 of these postcards were mailed, by her, all over the world. She autographed them with a red pen. They have become an international collectable (see below).

Frederic Auguste Bartholdi, sculptor of the Statue of Liberty, was born April 2, 1834, in Colmar, Alsace, France. He devoted 15 years of his career to the monument. He died in Paris in 1904.

The statue was presented in Paris in 1884 and was formally dedicated in New York in 1886...a gift to the USA from France...a pledge of friendship and commemoration of America's centennial of independence.

A computer digitized process aided in the final design of this beautiful stamp. The background features a watercolor painting by James Dean. The portrait was taken from a painting done in France by Jose Frappa. The portrait was superimposed over the background and the colors were enhanced and balanced by the computer under the guidance of Robert J. Leuver, Director, Bureau of Engraving and Printing.

The Statue of Liberty, erected on Bedloe's Island (now Liberty Island), is the world renowned symbol of freedom for millions of Americans and immigrants. I know the thrill of seeing her from the deck of a troop ship, a returning Army GI from Germany, after World War II.

My appreciation of the Statue of Liberty has deepened since making acquaintance with Mrs. Robert (Mary) Sager, Blacklick, Ohio. She is affectionately known as "Grandmaw Liberty". Thousands have received from her the beautiful post card of the Statue of Liberty printed especially for her by the Crouse-Hinds Company. This company installed a completely new illumination system and donated it to the American people as their gift for the bicentennial celebration. It makes this night view a spectacular scene and cherished photograph.

It is an honor to be one of her adopted "Grandsons." We correspond frequently. However, I feel selfish to expect a letter in return knowing of her serious physical limitations and knowing of her "calling" to correspond with hundreds of prison inmates giving them encouragement and spiritual guidance. She is an ardent distributor of GOD'S SIMPLE PLAN OF SALVATION written by my father (the late Dr. Ford Porter) 52 years ago. Over 400,000,000 copies of this message have been distributed world-wide in 98 languages, Braille, and Giant Print by Lifegate, Inc. This is the organization of which my son, Robert Mark Porter, is president and I am chairman of the board.

PPP 8

(Porter Philatelic Page PPP 8 - Frederic Bartholdi)

SIGNERS OF PORTER PHILATELIC PAGES (CONTINUED)

When the Frederic Bartholdi stamp was issued on July 18, 1985, I produced PPP 8, pictured on the previous page. I asked Grandmaw Liberty to sign them and she graciously did so. I wish she had signed them with her trademark red pen, however, she signed them in black. I signed with a green pen, but soon discontinued that practice although green is still my favorite color. She sent a supply of her autographed postcards so I would have them on hand for the shipment of PPP 8. Almost a year later, on July 4, 1986, the Liberty stamp was issued which was affixed to PPP 8 for its FDOI cancel.

I still have some of her postcards with either the Bartholdi stamp or the Liberty stamp affixed with FDOI cancel . . . and some without stamps. As long as they last, anyone who wants one, at no

cost or obligation, can send me a SASE, mention this postcard, and the stamp of their choice. My address is 3925 N. Delaware Street, Indianapolis, IN 46205-2649.

Among the things she sent to me was a photograph taken on September 20, 1980, at a surprise wedding anniversary celebration (below left). She also sent a 1980 photograph of Charles DeLeo, Keeper of the Flame, who was one of her adopted grandsons (below right). It's too bad the cancellation is smeared. Mrs. Mary Sager was an inspiration and blessing to everyone who corresponded with her. I value my collection of her letters and philatelic memorabilia of the Statue of Liberty she sent to me over the years. Grandmaw Liberty was a very special friend.

2004 ANNUAL ASPPP AUCTION

By ASPPP Auction Chairman Gerald Blankenship

This year we have 1,339 lots for you to examine and select the ones you need to fill in those empty spaces in your collection.

The first section of the auction is **ASPPP LOTS**. Thanks to Charles Simmons for his donation of his stock to the ASPPP to help raise funds that will keep our dues low and the *Journals* coming by first class mail. Please bid on these items because our dues have been kept low for several years, and we are not collecting enough to keep the level of service without your help.

There are many **NEW FINDS** and **VERY RARE** Pages in this auction. As I have stated before--very few lots have a reserve. Here is an opportunity to pick up Pages and Panels at bargain

basement prices, and all you have to do is place a bid on the lots you want. About 35% of the lots last year did not get a bid. If you want to increase the scope of your collection, there are numerous different booklet pane Pages, Pages with lines and watermark Pages. Of course plate number coils have been a great item that get a lot of bids. Go over the rare Page section and see the many scarce Pages in this auction. Remember all you have to do to add these to your collection is bid.

Also, note that you can bid online by sending email to asppp134@aol.com. My mailing address is ASPPP, P.O. Box 475, Crosby, TX 77532-0475. I will be happy to answer any questions you might have about any of the lots.

CONDITIONS OF SALE

1. The placing of a bid will constitute acceptance of the conditions of sale.

MINUTES OF THE 2004 20TH ANNIVERSARY MEETING

By John Ngai, ASPPP Secretary

The 20th Anniversary Membership Meeting was held on Saturday April 3, 2004, at 1:00 PM, at the Doubletree Hotel in North Dallas, Texas in the Acadia Room. With 5 Board Members present representing a majority of the Board of Directors, the meeting was called to order by ASPPP President Ron Walenciak. Ron recognized Gerald Blankenship, John Ngai, Gary West and David Weinberg.

The minutes of last year's annual meeting were published in the *Page and Panel Journal*, Volume 20 #3; John Ngai requested acceptance of these minutes; a motion by David Weinberg, seconded by Gary West, was approved.

Gerald Blankenship reported that the cataloging of the donated Pages has been completed, and asked for guidance as to the listing of the lots in the upcoming auction. He expects to have a significant number of donated lots listed this year, and encouraged the membership to participate in the bidding.

John Ngai reported that the current cash balance as of March 31, 2004 was \$6,909.50, a decrease of \$724.73 since the beginning of the year, which represents expenses greater than income year to date. John reported that he would expect the auction to improve our cash position. Please bid; this is necessary if we are to continue maintaining dues at the current level, print the *Journal*, and mail it by first class mail.

Gerald Blankenship reported that the membership count as of March 31, 2004 was 430. Ron Walenciak reported that the web site has over 10,000 hits since its creation almost two years ago.

As this is the 20th anniversary of the ASPPP, the Board decided to present a plaque to Bud Scrantom, the founder of the society, for his dedication and hard work over the years. Bud was unable

to attend the meeting, so the Board Members decided to visit him after the meeting at his residence in nearby Richardson, Texas and present the plaque to him; this plaque was signed by all of the board members present.

The following Old Business was discussed:

The slide presentation that was in Jim Canon's possession has been turned over to the society, due to his untimely passing. It is unclear what direction that presentation will take in the future.

Three spreadsheet catalog-listings of Souvenir Pages, Commemorative Panels, and Stamp Posters have been prepared and completed by Gerald Blankenship; a decision will be made whether placement of the website is an effective way to disseminate this information. *[Editor's Note: the Page and Panel spreadsheets have already been added to our web site, www.asppp.org.]*

The following New Business was discussed:

Ron Walenciak reported he has received information from many members concerning the varieties of the 10-stamp American Eagle coil and that information would be presented in a future *Page and Panel Journal*.

To simplify the ordering process for copies of the Year of the Rabbit Panel that the ASPPP purchased for sale to members, the remaining stock will be held by Gerald Blankenship so that there will be one central ordering point for all items that are offered for sale by the society. Gerald Blankenship indicated that he expects an extensive list of Souvenir Pages in the upcoming auction, especially from donated lots.

No other business coming before the board, the meeting was adjourned at 3:00PM, whereupon a visit to ASPPP Founder Bud Scrantom followed.

NEW BOARD MEMBER: DAVID JONES

By Ron Walenciak

Our newest ASPPP Board Member is David Jones from Canada. He's been collecting posters since his postal-employee uncle introduced him, in the 50's, to what Canada used to call "illustrated announcements". Since then, he has been traveling the country – nagging postmasters, and trying to build the best collection in Canada – and he has probably achieved that! David guesses his collection exceeds even that of Canada's National Archives.

Canada does not have Pages and Panels like the US, and stamp issue poster collecting is not hugely popular. David wonders about the chicken and egg situation of Canadian poster collecting. Is it that not many collect them because not many are interested, or not many collect because they are so darn hard to get? Collectors have to usually be satisfied with salvaging one from the lobby that is full of holes and scotch taped, or once in a blue moon, luck into an un-circulated one from the postmaster's desk. Whichever – it is almost a full time job in itself to ensure you get at least one of each. David, who has all that have been issued, is now focusing on getting pristine copies. He is also trying to locate the earliest circulars issued by Canada's Post Office Department. He has Order Number Two. But to date, he has not been able to locate a Number One.

Canada is a BIG country. Trading, buying and selling are a challenge. In fact, David says the biggest challenge has been in meeting other collectors – and that's the reason he joined the ASPPP.

Since he joined the ASPPP family, David has written several articles on the genre, and there are more to come. He's working with us to find ways and means to broaden the Society's scope – and membership. We're talking about keeping an eye on international events and maybe doing lists and write-ups that would interest the mem-

bership. Jim Canon did a series of articles on "Pages and Panels Around the World" and made a slide presentation that was shown in Chicago a few times, and both the series and the presentation were well-received. So while this is a little note about David and a welcome to the Board, it's also a little query to the members. Do you want to know about worldwide interest in pages, posters and panels – and do you want to have some news on new issues of philatelic pages from other countries? David and I would love to hear from you. And I would be happy to even print your letter in the *Journal*!

By the way: Our intent is to create a special-interest-group of people within the society who have an interest in international pages (or who have expanded their US interests to include worldwide counterparts to US Pages and Panels). I've asked David to look into philatelic pages that might be available from other postal administrations, and to give us quarterly reports on his findings that we will then print in the *Page and Panel Journal* and report on the web. Our website already has a section for International Philatelic Pages with examples from El Salvador, Italy and Palau with more to come as they are reported.

In closing, here are a few personal notes about our newest Board Member: He's married – for 35 years – with three children – and he works in the public service.

David had said he wouldn't likely get to our meeting in Texas – but he wishes he could have. David attended a conference in San Antonio several years ago, and loved the city. When he was asked at a restaurant what sauce he wanted on his burrito – he said "lay it on!" (His family likes Mexican food a lot). Word has it that David may stop simmering from that experience some time round about 2017.
